

Joseph V. Anthony is a recent musical theater graduate from Centenary University. He is very grateful to have been given the opportunity to perform with the New Jersey Civic Youth Ballet again! Some of his favorite credits include: *RENT* (Angel u/s) at Helen Hayes Youth Theater, *Young Frankenstein* (Harold the Hermit), *Into the Woods* (Jack) at Centenary University, *Hair* (Woof) at Porch Light Productions, *Hair* (Margaret Mead) and *Avenue Q* (Rod) with Next Stage Repertory and *All for Joe*(Jake) on Off-Broadway. Jo would like to thank his family, friends, and mentors; without their support and tutelage he wouldn't be where he is today! A special thanks for Erin Usawicz for connecting Jo to this amazing opportunity! And a wild congratulations to the two spectacular women behind this show, Alexandra Thorpe and Ashley Cicala Feyrer. They are truly the most hardworking women I know—a special congratulations to them on another wonderful production!
